# INTERACTIVE GRAMMAR QUIZ FOR LANGUAGE LEARNING

Innovative Approach to Master Grammar Skills

Ushashi  
Bhattacharjee

# LINGUISTIC ISSUE

- Grammar learning is a common struggle for language learners.
- Studies show that 68% of language learners struggle with mastering grammar rules.
- Incorrect use of tenses, subject-verb agreement, or grammar rules hinders communication and confidence.
- Current tools often lack real-time feedback and personalized guidance.
- Example Problem: Misusing “went” vs. “gone” impacts clarity in sentences.

# PROPOSED SOLUTION

- A web-based interactive grammar quiz app.
- Provides real-time feedback and actionable hints.
- Focuses on improving grammar accuracy through engaging exercises.

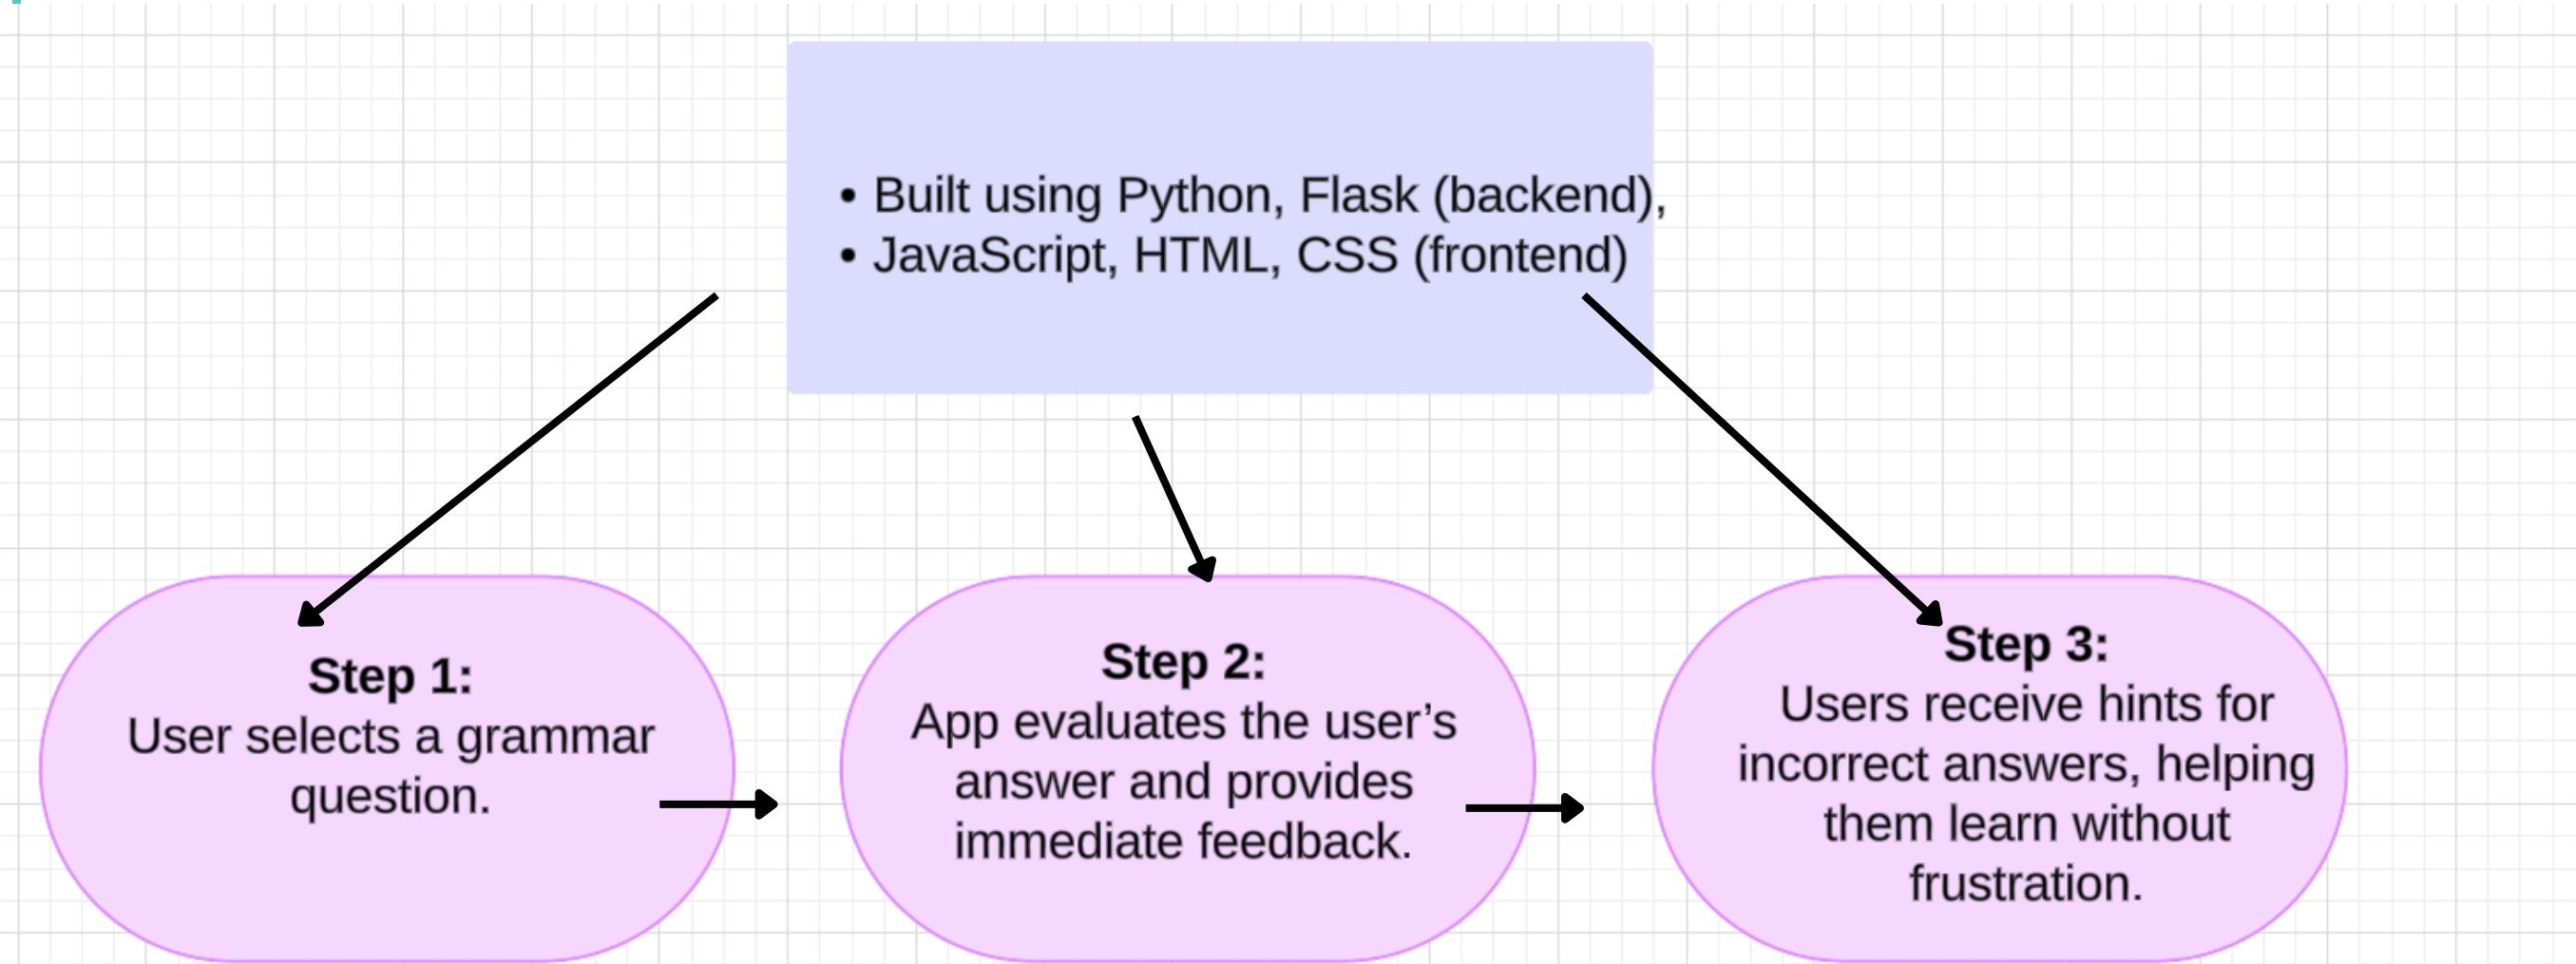

## INSTAGRAMMER

Learn Fast, Speak Right,  
Master Grammar Instantly!

# FEATURES

- Real-time feedback on user answers.
- “Get Hint” button for guided learning without revealing the correct answer immediately.
- Repetitive questions to reinforce learning through consistent practice.
- Mobile-friendly, responsive design.

# HOW IT WORKS

# DEMO

★ InstaGrammar ★

She \_\_\_ (go) to the market yesterday.

go went gone going

Get Hint

"Your journey to mastering grammar starts here!"

# LOGICAL APPROACH

## PROBLEM ADDRESSED

- Learners often struggle with grammar due to a lack of feedback during practice.

## STEPS TO SOLVE

- Create manageable, interactive grammar exercises.
- Use instant feedback to reinforce correct usage.

# UNIQUE ASPECTS

## Web 4.0 Support:

- Embodies the principles of Web 4.0 by offering interactive, learner-centered feedback.
- Prioritizes inclusivity with a versatile design that caters to diverse learners worldwide.
- Focuses on enhancing user engagement and personalized learning experiences, even without advanced AI integration.

## Anti-Cheating Mechanisms:

- Repetitive questions reinforce consistent practice.
- Dynamic hints promote deeper understanding.

## Why It Matters:

- Builds grammar confidence through practical learning.
- Ensures inclusivity with a versatile platform for learners of all backgrounds.

# WHY IT'S BETTER THAN QUIZLET AND KAHOOT

- 1
- 2
- 3

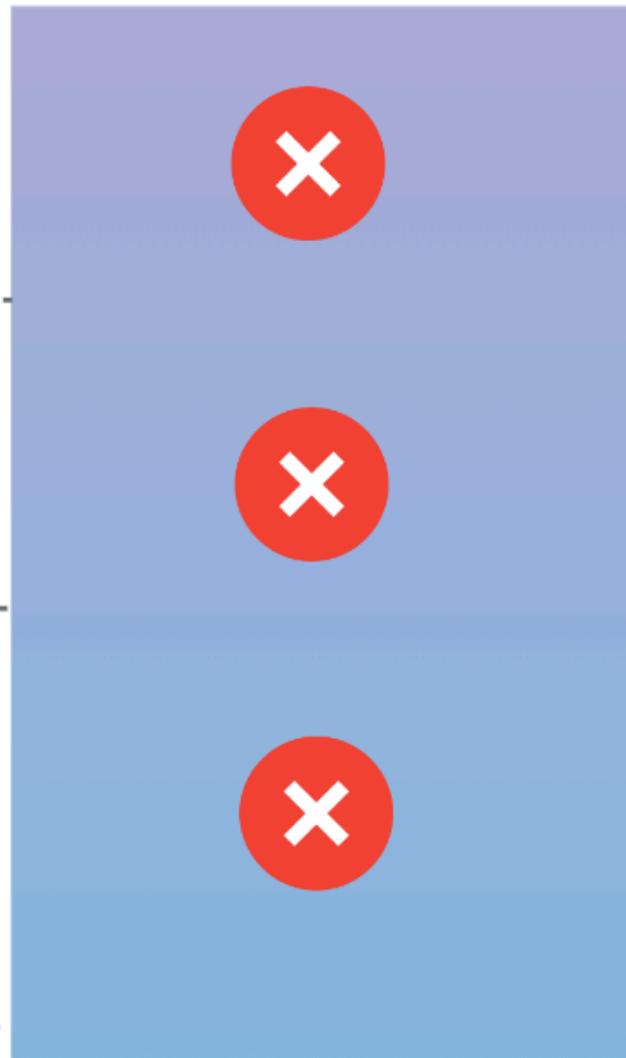

**Real-time Feedback**

**Hints for Mistakes**

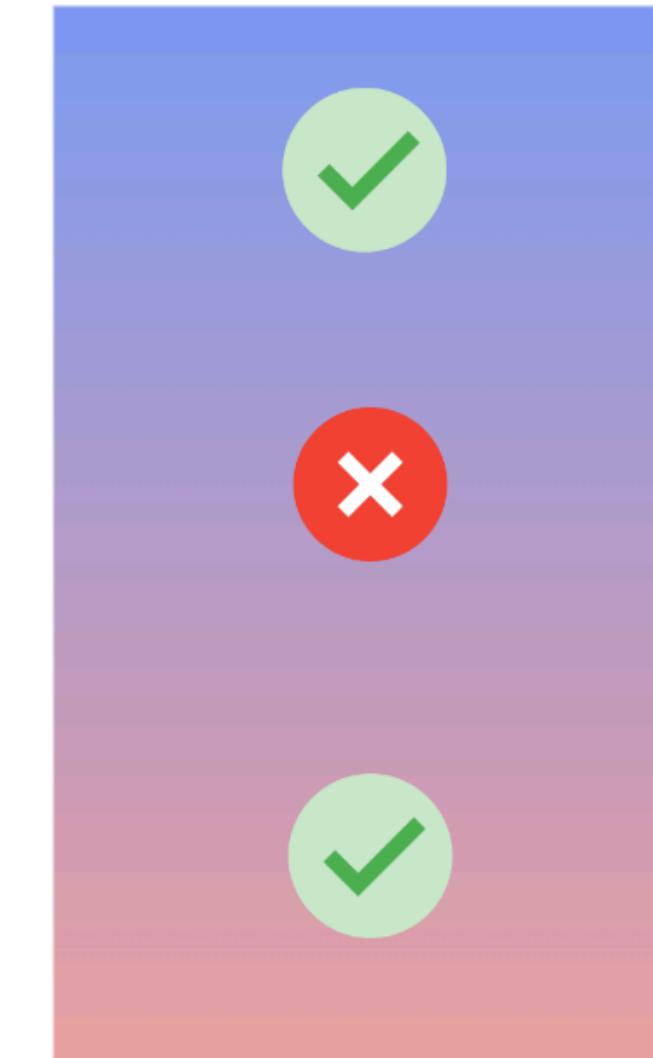

**Interactive Grammar Practice**

## QUIZLET

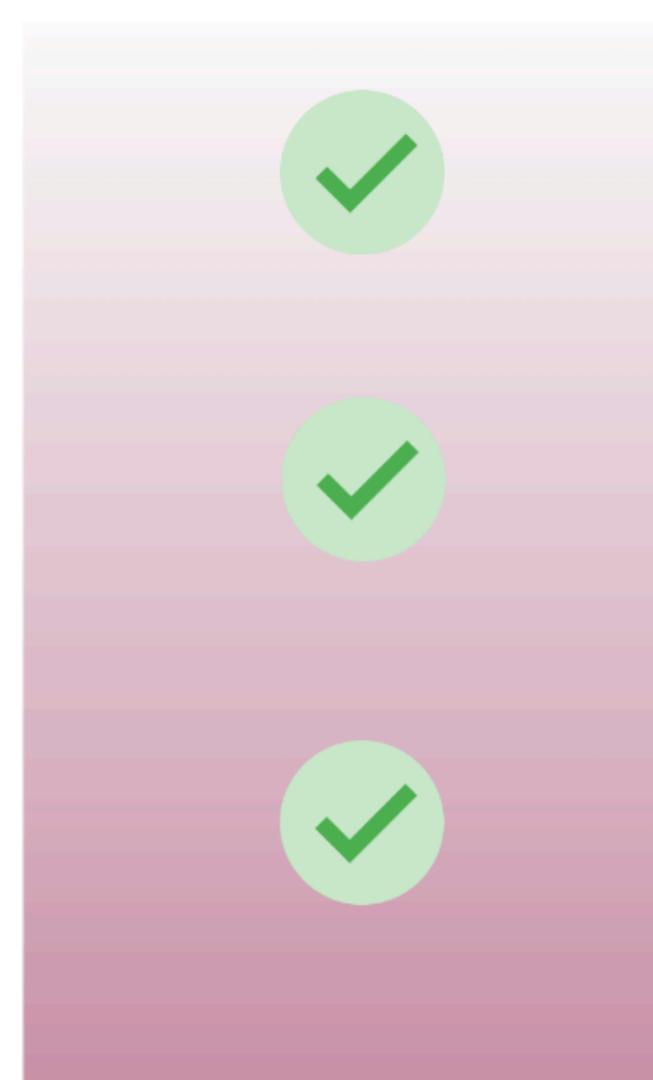

## KAHOOOT

# FUTURE PLANS

## Short-term Goals

- Expand the question bank with more grammar topics.
- Add a progress-tracking dashboard for users.

## Long-term Goals

- Support for pronunciation practice with voice-to-text.
- Enable multilingual grammar quizzes.
- Introduce advanced AI for personalized learning paths.

# KEY TAKEAWAYS

- Grammar learning is a critical challenge for language learners.
- My app provides an innovative solution through real-time feedback & anti-cheating mechanisms.
- It surpasses traditional tools like Quizlet and Kahoot by focusing on personalized grammar improvement.
